Check your Internet Speed

Speed Test – Step 1

1. Visit
<https://www.google.com>

2. Type
Speed Test

3. Click
Google Search

Speed Test – Step 2

The screenshot shows a Google search result for 'Speed Test'. The search bar contains 'Speed Test' and the results show 'About 1,96,00,00,000 results (0.39 seconds)'. The first result is 'Internet speed test' with a Wi-Fi icon. The description reads: 'Check your Internet speed in under 30 seconds. The speed test usually transfers less than **40 MB of data**, but may transfer more data on fast connections. To run the test, you'll be connected to [Measurement Lab \(M-Lab\)](#) and your IP address will be shared with them and processed by them in accordance with their [privacy policy](#). M-Lab conducts the test and publicly publishes all test results to promote Internet research. Published information includes your IP address and test results, but doesn't include any other information about you as an Internet user.' Below the text is a blue button labeled 'RUN SPEED TEST'. An orange arrow points from the text '4 Click RUN SPEED TEST' to this button. At the bottom, there is a link to 'www.speedtest.net' and a heading 'Speedtest by Ookla - The Global Broadband Speed Test'.

4 Click
RUN SPEED TEST

Speed Test – Step 3

The screenshot shows a Google search result for 'Speed Test'. The main content is a white box with the following information:

- 49.7 Mbps download
- 53.7 Mbps upload
- Latency: 13 ms
- Server: Chennai
- Your Internet connection is fast.
- Your Internet connection should be able to handle multiple devices streaming HD videos at the same time.
- Buttons: LEARN MORE, TEST AGAIN
- Feedback link

Orange arrows point from the external text blocks to the 49.7 and 53.7 values in the screenshot.

6 Check Upload Speed

7 Check Download Speed

Very Important

Note: The internet speed is very vital for proctoring. A minimum download speed for proctoring is **5 Mbps** and minimum upload speed is **2 Mbps**

Check your microphone volume

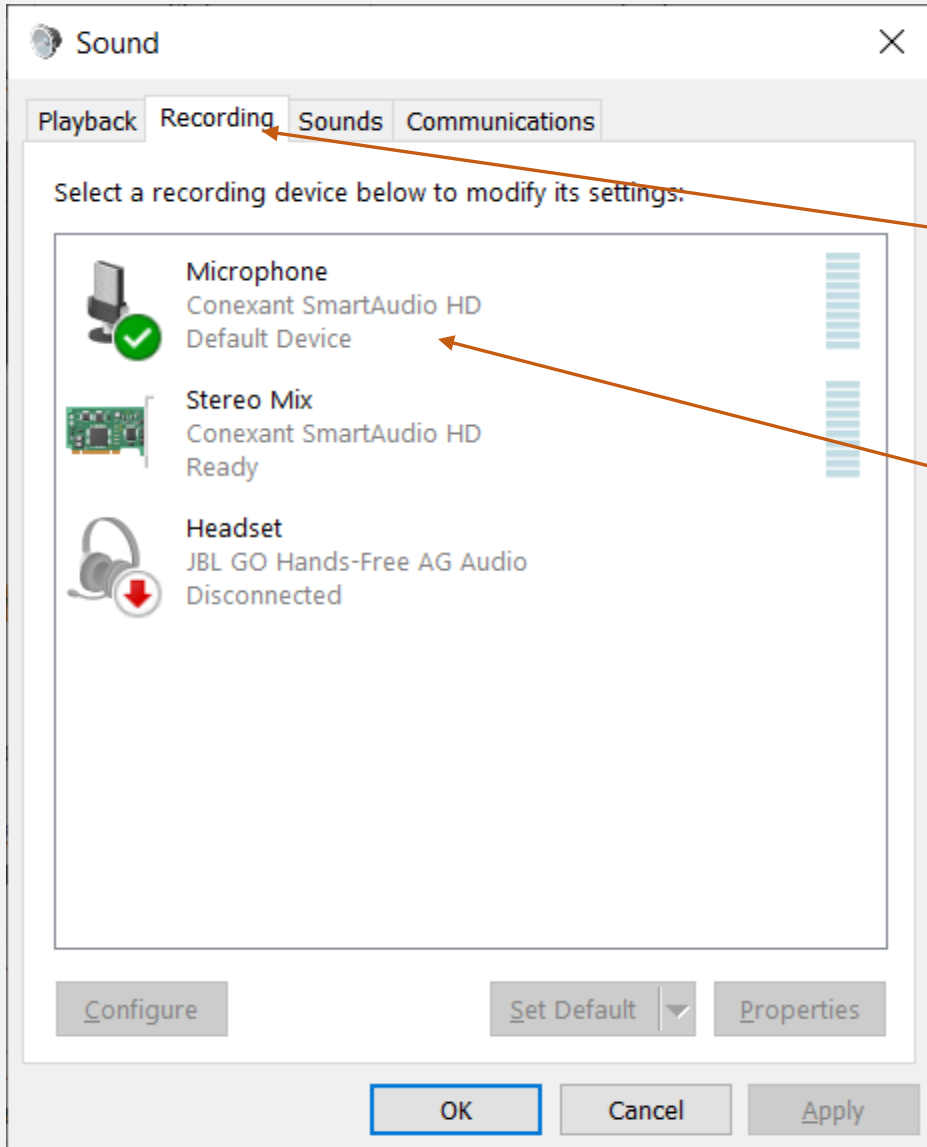

Check you microphone volume - 1

The screenshot shows the Windows search interface. At the top, there are navigation tabs: All, Apps, Documents, Web, and More. Below these, the search results are categorized into 'Best match', 'Settings', 'Search the web', 'Apps (1)', and 'Folders (1+)'. The 'Best match' section highlights 'Sound settings' with a speaker icon and 'System settings'. The 'Settings' section lists several options, with 'Change system sounds' being the first. The 'Search the web' section shows 'sound - See web results'. The taskbar at the bottom shows the search bar with 'sound|settings' entered and several application icons.

2. Click Change System Sounds

1. Type Sound on windows search bar at the left bottom corner

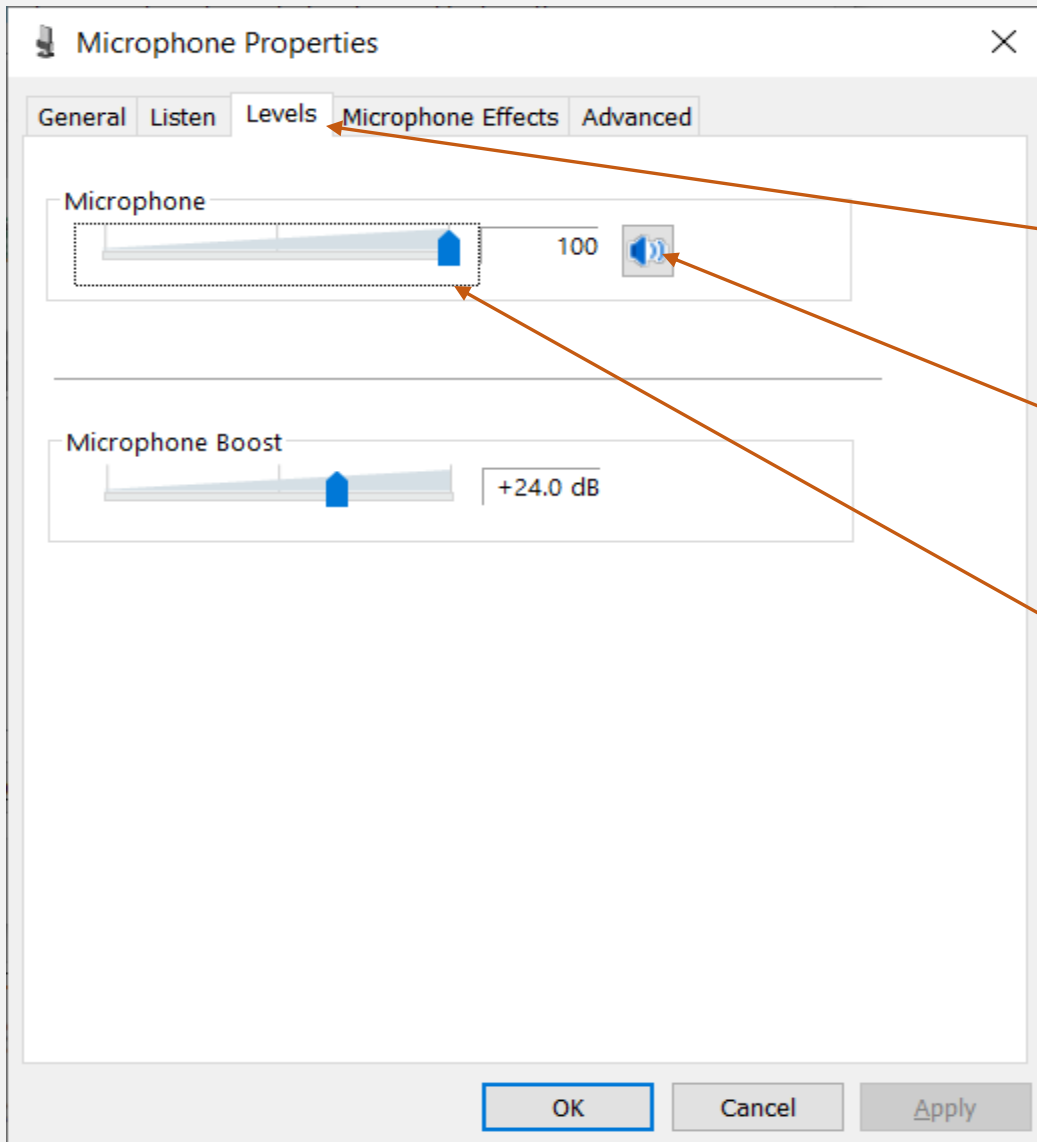

Check you microphone volume - 2

3. Click
Recording Tab

4. Double Click
Microphone Symbol
This opens a new dialog window

Check your microphone volume - 3

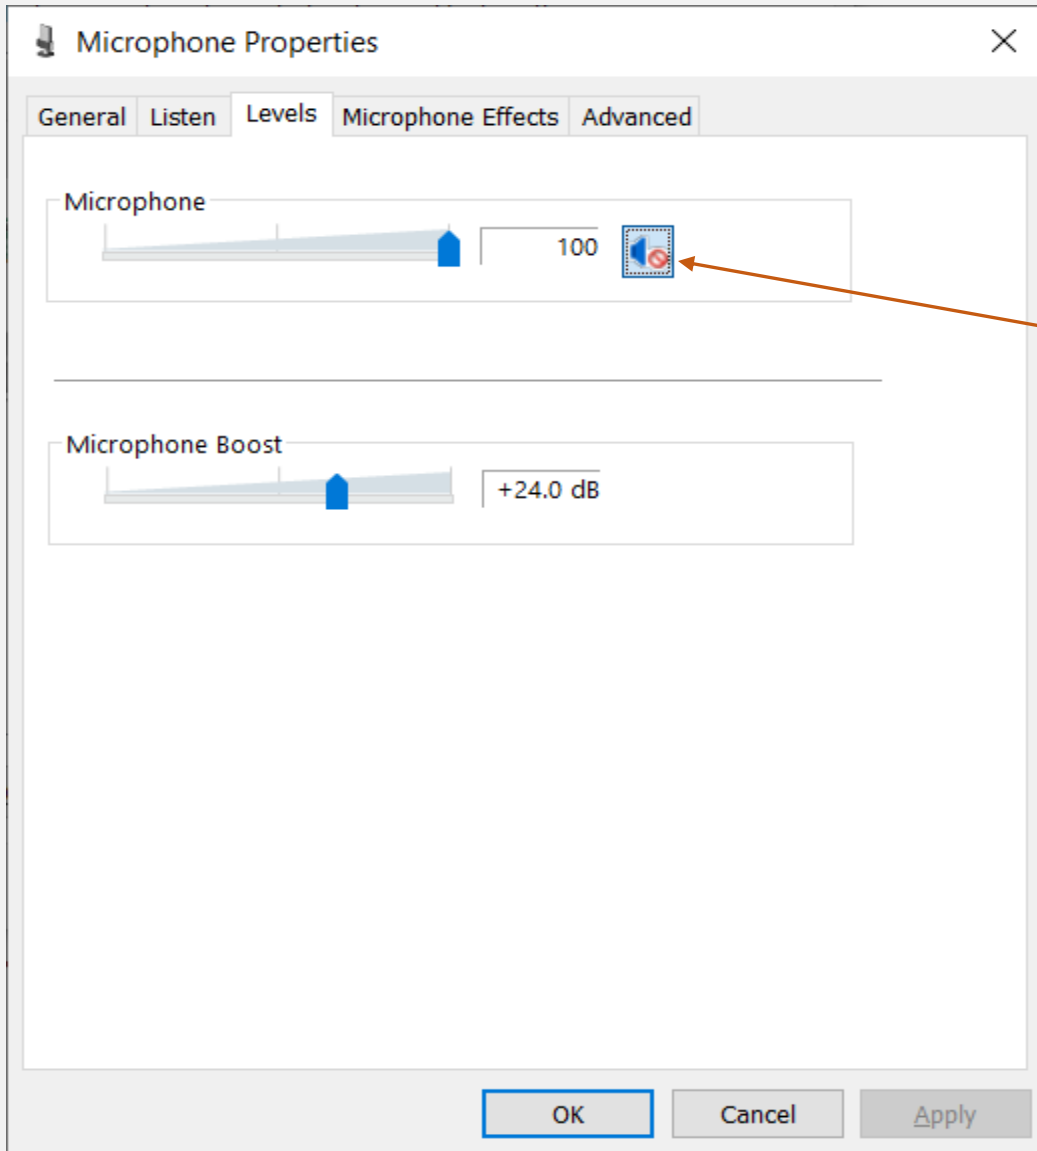

3. Click
Levels Tab

5. Ensure
The volume is not muted indicated by a red circle.
The current symbol shown is correct

4. Ensure
Microphone Volume Level is **HIGH**

Understanding Incorrect Setting

**This is Incorrect setting.
You need to click on this to change**

Check your Speaker Volume

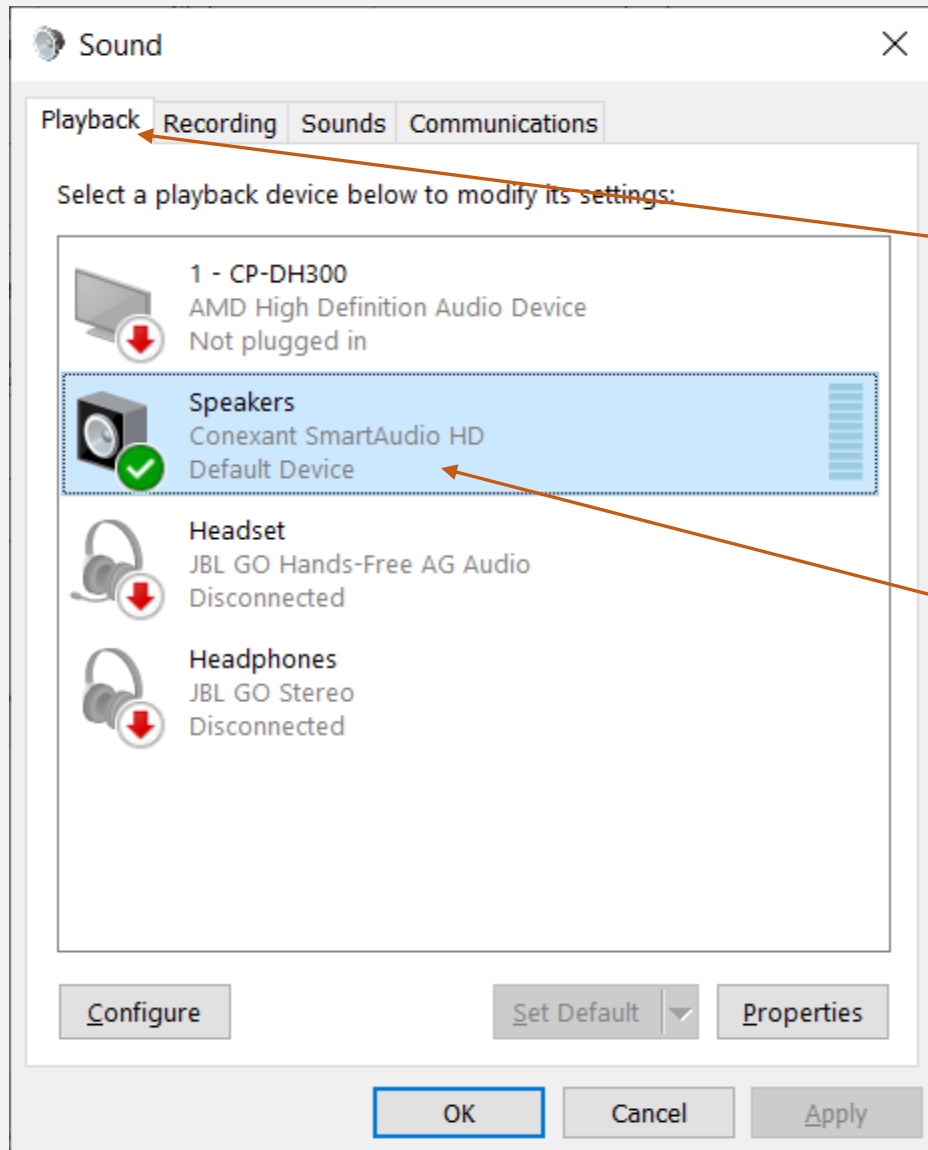

Check you speaker volume - 1

The screenshot shows the Windows search interface. At the top, there are navigation tabs: 'All', 'Apps', 'Documents', 'Web', and 'More'. Below these, the search results are categorized into 'Best match', 'Settings', 'Search the web', 'Apps (1)', and 'Folders (1+)'. The 'Best match' section highlights 'Sound settings' with a speaker icon and 'System settings' below it. The 'Settings' section lists several options, with 'Change system sounds' being the first item. The 'Search the web' section shows 'sound - See web results'. At the bottom, the taskbar is visible with the search bar containing 'sound settings' and several application icons.

2. Click
Change System Sounds

1. Type Sound on windows
search bar at the left bottom
corner

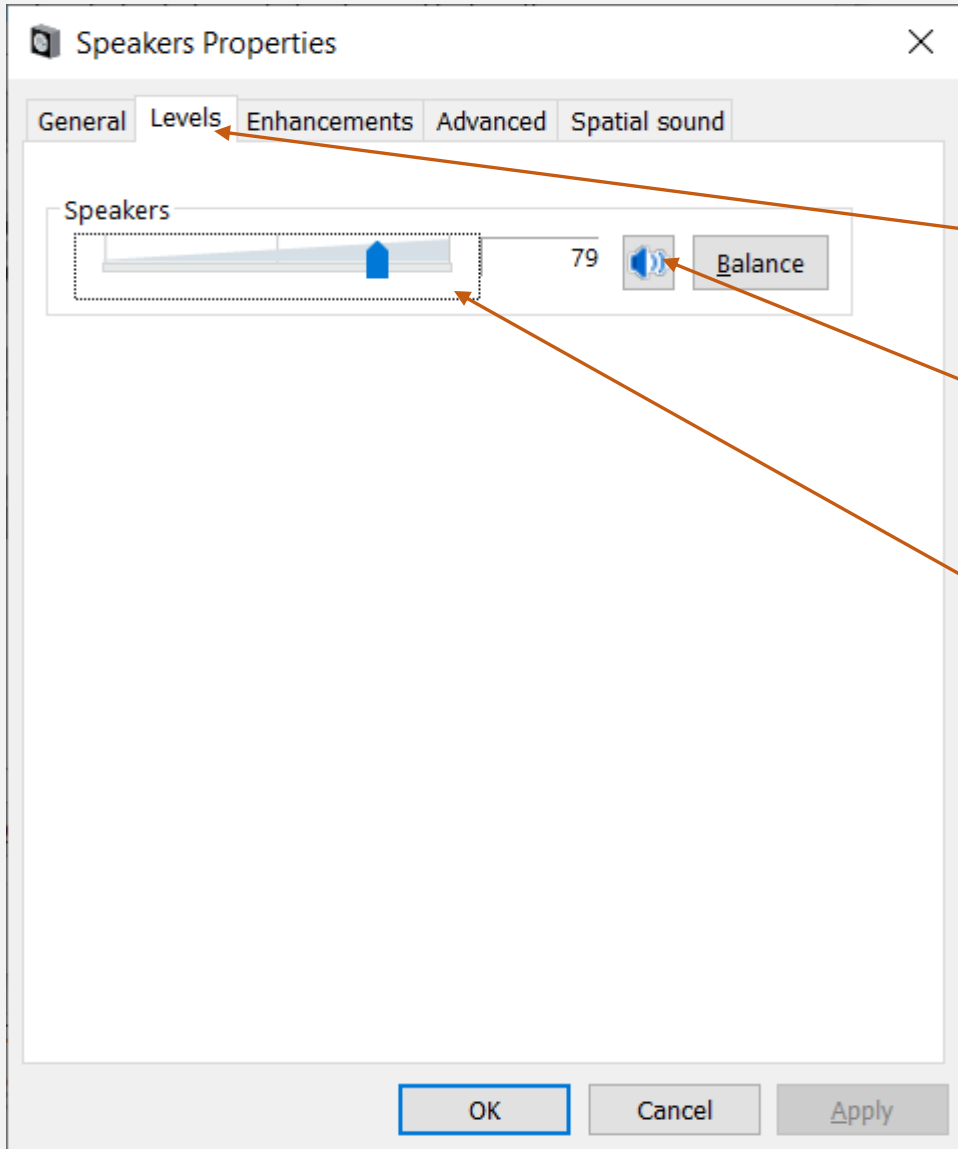

Check you speaker volume - 2

3. Click
Playback Tab

4. Double Click
Speakers (Default Device)
This opens a new dialog window

Check you speaker volume - 3

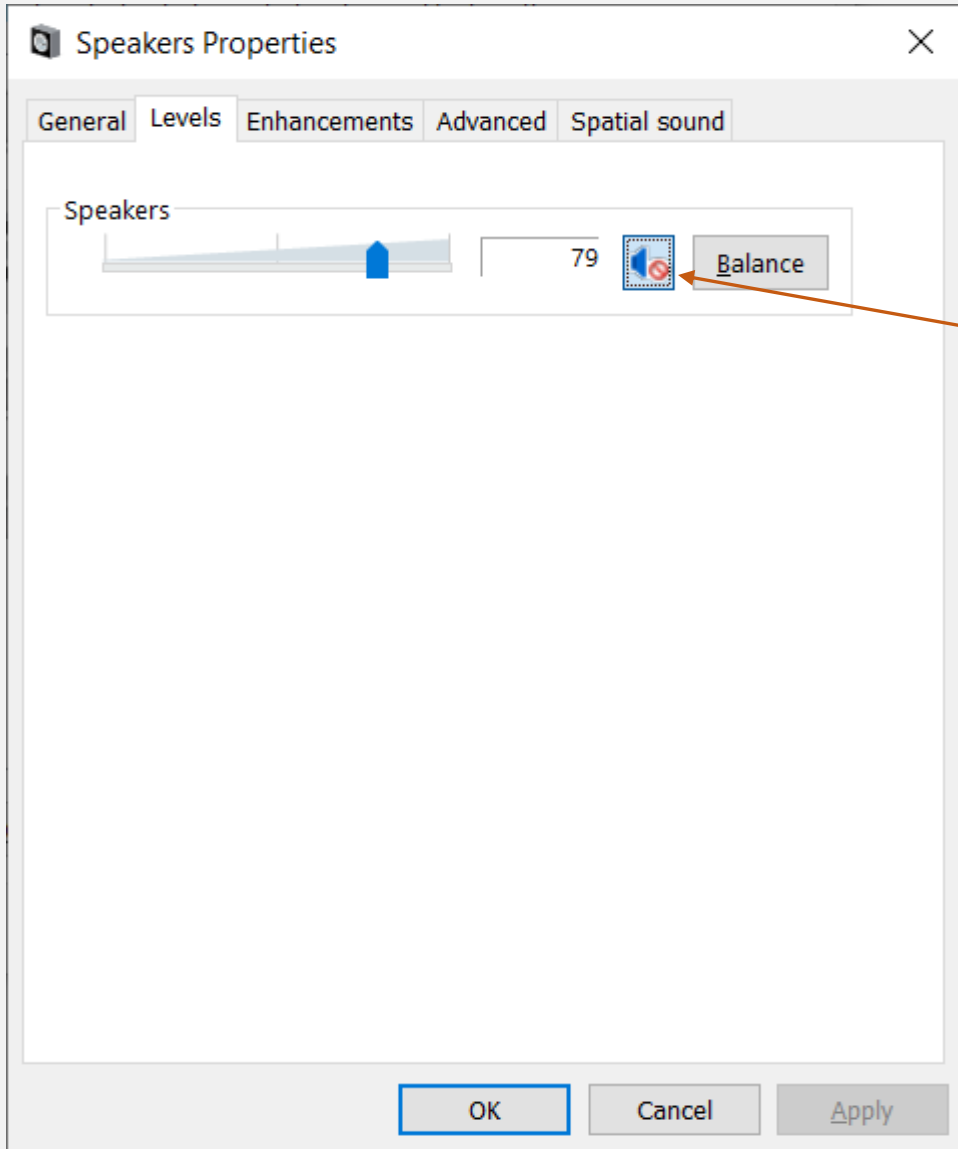

3. Click
Levels Tab

5. Ensure
The volume is not muted indicated by a red circle.
The current symbol shown is correct

4. Ensure
Speaker Volume Level is **HIGH**

Understanding Incorrect Setting

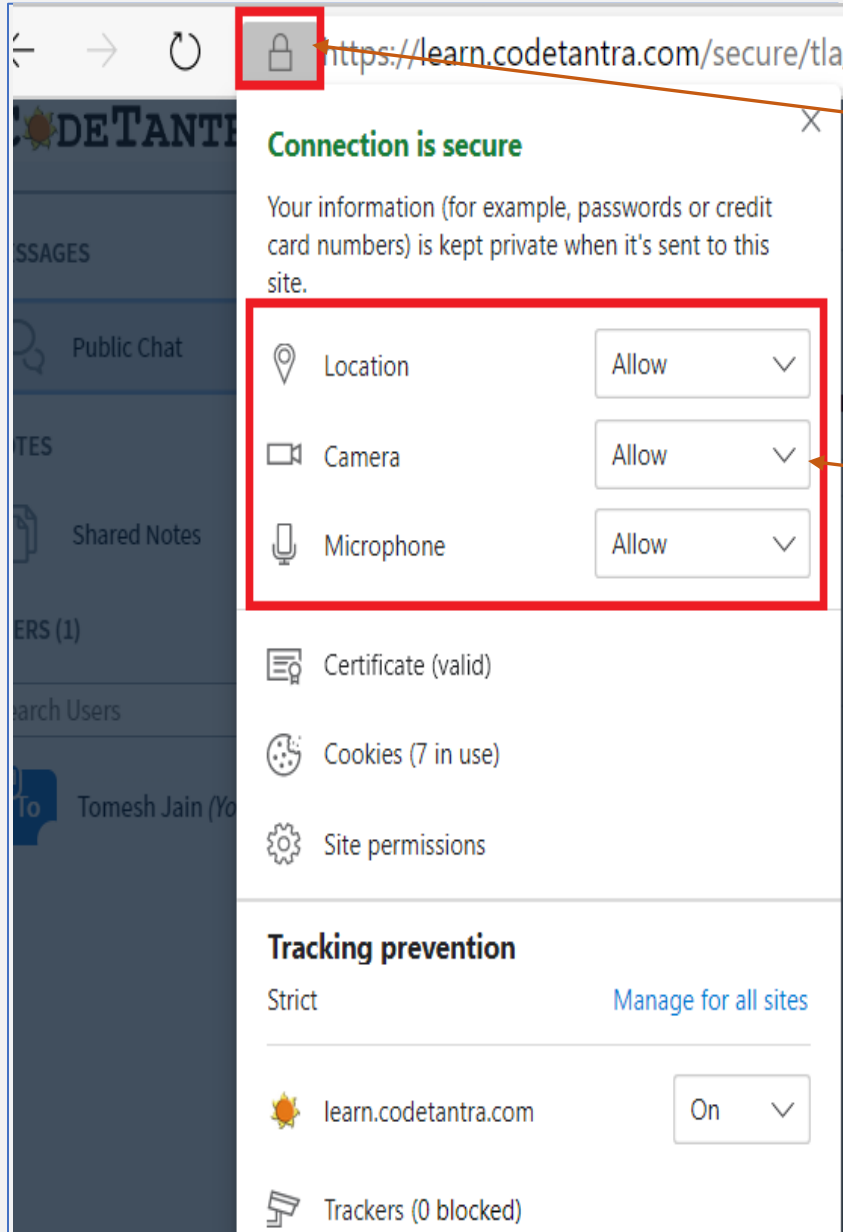

**This is Incorrect setting.
You need to click on this to change**

Taking Exam on Desktop PC / Laptop

1. Please ensure that you are taking the exam on **Chrome Browser**. Upgraded browser gives a smoother experience.
2. Don't click on any link to take a test. **Copy the link and paste it in the chrome browser**. Clicking on a link might not open the link in Chrome Browser. Copy and Pasting ensures that you are on the correct browser.
3. At the start of the exam, the browser may show pop ups for allowing permissions. Always click on **Allow**.
4. Make sure your integrated webcam or external webcam is functioning properly.
5. Do not navigate to any other window during the exam. Your exam may terminate if such an attempt is made.
6. Ensure that you have a secondary backup internet connection which will be useful when the primary internet gives away.
7. Ensure that the laptop battery is charged to maximum extent possible by the start time of the exam. If you are using a desktop PC ensure that you have an UPS connection to continue exam even during power cuts.
8. Disable all notification sending applications like Anti Virus etc.
9. Ensure the system time and time zone are correct, else you may not be able to write/see the exam.

Enabling Camera, Microphone and Location – Laptops/ Desktop PC

If the permissions were not granted, permissions can be given by clicking on the **Lock** Icon on the top left area of the browser.

Make sure that the Camera, Microphone and Location permissions when prompted are allowed.

Getting your device ready for the exam

Testing your browser

The screenshot shows the WebRTC Troubleshooter interface in a browser window. The address bar shows the URL `test.webrtc.org`. The main content area has a blue header with the text "WebRTC Troubleshooter" and a green "START" button. Below the header, there are three main test sections: "Microphone" (green background, status: ✓), "Camera" (red background, status: ✗), and "Network" (yellow background, status: ⚠). The "Camera" section is expanded to show four sub-tests: "Check resolution 320x240" (✓), "Check resolution 640x480" (✓), "Check resolution 1280x720" (✗), and "Check supported resolutions" (✓). A dashed red box highlights the "Check resolution 1280x720" sub-test.

Test Category	Sub-Test	Status
Microphone	Microphone	✓
Camera	Camera	✗
	Check resolution 320x240	✓
	Check resolution 640x480	✓
	Check resolution 1280x720	✗
	Check supported resolutions	✓
Network	Network	⚠
	Udp enabled	✓
	Tcp enabled	✓
	Ipv6 enabled	⚠

Visit <https://test.webrtc.org>

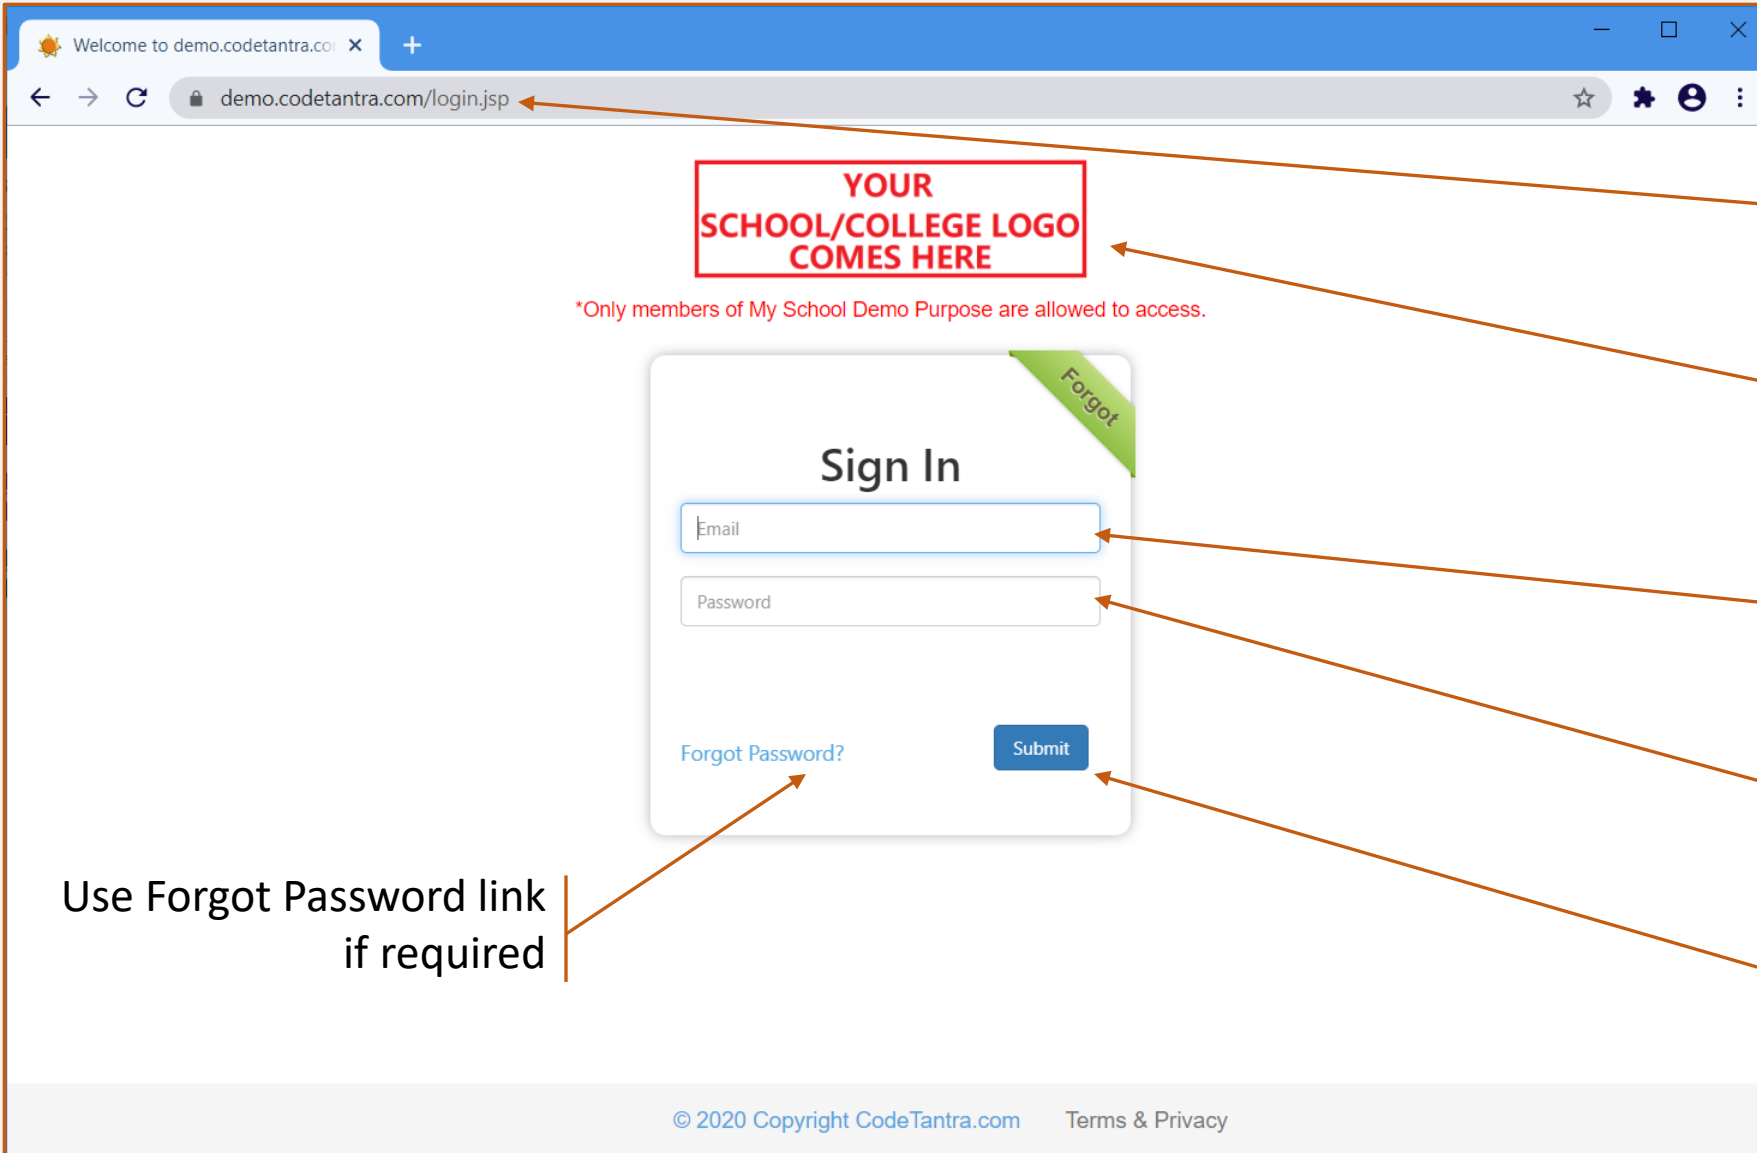

Click on the start button

Microphone test should pass.

At least one resolution of the camera should work.

Step-3a : Start Test

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/home/tests.jsp`. The page header includes the CodeTantra logo, navigation links for Home and Learn Anywhere, and user information for `tomesh.jain@gmail.com` (Member) with a Logout button. The main content area is titled 'Tests' and features a search filter for the date range 2020/08/11 to 2020/09/01. Below the search bar is a table with the following data:

#	Test Name	Test Time	Status	Score	Result	Chart
1	Sample Test	19 Aug 2020 01:50 +05:30 - 19 Aug 2020 10:00 +05:30	Yet to Start 	---	---	---
2	2019-2050-Support-Testing_File uploading - all_2020/08/15 01:00	15 Aug 2020 01:00 +05:30 - 15 Aug 2020 23:00 +05:30	Expired	--		--
3	Demo to Niper Guwahati	13 Aug 2020 15:00 +05:30 - 13 Aug 2020 18:00 +05:30	Completed	3 / 90	✖ Failed	
4	Demo One More Suggest	11 Aug 2020 21:00 +05:30 - 12 Aug 2020 13:00 +05:30	Expired	--		--
5	2019-2050-Support-Testing_C - PROFILE - TEST - MCQ and CODING_2020/05/25 01:00	25 May 2020 01:00 +05:30 - 27 Sep 2020 15:42 +05:30	Start Test	--	--	--

Wait for the Actual start time of the test and click on the refresh icon

Note: Ensure that the system time and time zone is correct. Enable auto selection.

Step-3b : Start Test

The screenshot shows a web browser window with the URL 'staging.codetantra.com/secure/home/tests.jsp'. The page header includes the CodeTantra logo, navigation links for Home and Learn Anywhere, and user information for 'tomesj.jain@gmail.com' (Member) with a Logout button. The main content area is titled 'Tests' and features a search filter for dates between 2020/08/11 and 2020/09/01. Below the search bar is a table with the following data:

#	Test Name	Test Time	Status	Score	Result	Chart
1	Sample Test	19 Aug 2020 01:50 +05:30 - 19 Aug 2020 10:00 +05:30	Start Test 3rd	---	---	---
2	2019-2050-Support-Testing_File uploading - all_2020/08/15 01:00	15 Aug 2020 01:00 +05:30 - 15 Aug 2020 23:00 +05:30	Expired	--		
3	Demo to Niper Guwahati	13 Aug 2020 15:00 +05:30 - 13 Aug 2020 18:00 +05:30	Completed	3 / 90	Failed	
4	Demo One More Suggest	11 Aug 2020 21:00 +05:30 - 12 Aug 2020 13:00 +05:30	Expired	--	--	--
5	2019-2050-Support-Testing_C - PROFILE - TEST - MCQ and CODING_2020/05/25 01:00	25 May 2020 01:00 +05:30 - 27 Sep 2020 15:42 +05:30	Start Test	--	--	--

After the actual start time of test, you will see a **Start Test** button. Click on it to start the test

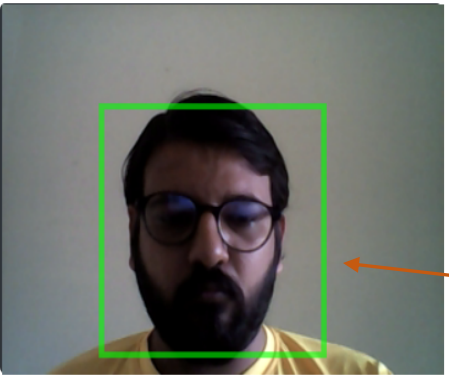

The screenshot shows a web browser window with two tabs: "CodeTantra Teach & Learn Anyw..." and "Environment Check". The address bar shows the URL "staging.codetantra.com/secure/take-test1.jsp?tid=5f45ec7f7217b40bef236fa9&bd=ANDcwX2N0X2No&tsi=1972". The page header includes the CodeTantra logo, the user email "tjonemore9@gmail.com", the role "Member", a "Support" link, and a "Logout" button. The main content area is titled "ENVIRONMENT CHECK" and features a dark blue header with "IIIT Kota Demo" and "ABC". Below this is a table of system information:

OS	Windows 10 64-bit
BROWSER	Chrome 85.0.4183.102
AUDIO	Pending Click here to check audio
WEBCAM	Pending
MICROPHONE	Pending
LOCATION	Pending

A location permission prompt is overlaid on the left side of the page, titled "staging.codetantra.com wants to" and "Know your location". It has two buttons: "Allow" and "Block". An orange arrow points from the "Allow" button to the "AUDIO" row in the table below.

There will be prompts for multiple permissions, click on allow.

Step-4 : Allow all permissions as prompted

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894`. The browser's address bar shows a lock icon, indicating a secure connection. A permissions dialog box is open, showing the following settings:

- Location: Allow
- Camera: Allow
- Microphone: Allow
- Sound: Automatic (default)

The dialog box also shows other settings like Certificate (Valid), Cookies (14 in use), and Site settings. The background of the browser shows a test interface with the following details:

Test Details	
Test Name	File uploading - all
Duration	60 minutes
Total Marks	40
Pass Marks	40
Start Time	19 Aug 2020 01:50:00 +05:30

Below the test details, there are sections for General Instructions and Your Current Location. The General Instructions section contains the following text:

Read the instructions provided for every question properly before attempting the answer.

Section - 1 : contain(s) **20** question(s) and each question carries **2** mark(s).

Click **Finish** only after completion of the Exam.

The Your Current Location section shows a map with a location pin. The map includes labels for various areas like Miyapur, Satavahana Nagar, Jagadgirikutta, KPHB Colony, Idpl, Bowenpally, and Balanagpur. The map is powered by Leaflet and OpenStreetMap contributors.

If the permissions were not granted, permissions can be given by clicking on the **Lock** Icon on the top left area of the browser.

Make sure that you allow all the permissions for Location, Camera and Microphone.

Step-5 : Get your environment validated

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894`. The page has a dark navigation bar with 'Home', 'Learn Anywhere', and user information 'tomesht.jain@gmail.com Member'. A video call window on the left shows a man with glasses and a beard, with a name tag 'Tomesht Jain'. The main content area has a 'General Instructions' section with text: 'Read the instructions provided for every question properly before attempting the answer. Section - 1 : contain(s) 20 question(s) and each question carries 2 mark(s). Click Finish only after completion of the Exam.' Below this is a 'Your Current Location' section with a map showing 'KPHB Colony' and 'Idpl'. A 'Your Current IP' section shows '49.206.34.190 * We record your IP and Location during the test.' A red-bordered box contains the warning: 'Do not attempt to navigate away from the test. Switching to another window or minimizing the browser window will automatically log you out of the test.' At the bottom, it says 'Waiting for proctor to validate your environment.'

Your camera would appear here!

A red color microphone indicates you are mute. You can unmute and speak to the proctor

You should not exit full screen or move to a different window during the test. Your test will be auto submitted if done so.

Do not attempt to navigate away from the test. Switching to another window or minimizing the browser window will automatically log you out of the test.

You need to wait for the proctor's approval to start the exam.

Waiting for proctor to validate your environment.

Step-6 : Start the Test

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894`. The page header includes navigation links for Home and Learn Anywhere, the user's email `tomesh.jain@gmail.com`, a Member status, and a Logout button. The main content area displays test details: Pass Marks (40) and Start Time (19 Aug 2020 01:50:00 +05:30). A yellow box contains 'General Instructions' and a green notification box says 'You can start/continue your test'. Below is a map titled 'Your Current Location' showing the area around Moosapet, Idpl, and Bowenpally. The 'Your Current IP' is 49.206.34.190. At the bottom, a green 'Start Test' button with a play icon is visible. A chat icon is located in the top left corner of the page content.

As soon as the proctors approve your environment, you will this kind of notification

You can chat with the proctor by clicking on this icon

Click on this button to Start Test

Taking the test

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894#`. The page header includes 'CodeTantra Teach & Learn Anyw...', 'CodeTantra Edu', and a 'Jump to' button. The user is logged in as 'tomesht.jain@gmail.com' with the role of 'Member'. The main content area is titled 'Meeting' and 'Test: Sample Test by Tomesh Jain'. It features a video feed of Tomesh Jain with a chat window overlaid on it. The chat window contains the text 'Yo', 'pr', 'wi', 'be', 'sh', and '...'. At the bottom of the meeting interface is a control bar with icons for mute, video, and chat. Arrows from the chat icon in the top left, the chat window, and the mute icon in the bottom bar point to explanatory text on the right.

Click on the button to open the video and chat window

Click here to do chat with the proctor

Click on this button to unmute yourself and talk to your proctor

Taking the test

The screenshot shows a web browser window with the CodeTantra logo and navigation links. The main content area is a meeting interface titled "Meeting". On the left, there is a "Public Chat" sidebar with a "MESSAGES" section containing a "Public Chat" button and a "USERS (2)" section listing "Tomesh Jain (You)" and "Tomesh Jain". The main chat area displays a welcome message: "Welcome to Test: Sample Test by Tomesh Jain! For help, contact support@codetantra.com". Below the chat is a text input field with the placeholder "Send message to Public Chat" and a send button. A video feed of Tomesh Jain is visible on the right. A dashed box highlights a vertical text overlay on the video feed that reads "You will be sh...".

Understanding Test Layout

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1895`. The page header includes navigation links like 'Home' and 'Learn Anywhere', a 'Jump to' button, and user information for 'tomes.h.jain@gmail.com'. The main content area is titled 'Preprocessor' and contains a C program snippet:

```
#include <stdio.h>
#if X == 3
#define Y 3
#else
#define Y 5
#endif
int main() {
    printf("%d", Y);
    return 0;
}
```

Below the code, the question asks: "What is the output of the above program?". Four multiple-choice options are provided:

- 3 or 5 depending on the value of X
- Compile time error
- 3
- 5

At the bottom, there are buttons for 'Finish', 'Mark for Review & Next', 'Clear Response', '« Prev', and 'Next »'. A 'Time left: 59:41' indicator is visible in the top right corner of the question area.

More than one option can be selected.

Fill in the blank Question

The screenshot displays an online exam interface. At the top, there is a navigation bar with 'Home' and 'Learn Anywhere' on the left, and 'exam3@demo.com', 'Member', and 'Logout' on the right. Below this is a status bar showing 'Section : 2 of 3', 'Question : 3 of 6', 'Marks for this Question : 5', and 'Negative Marks : -25% on wrong answer'. A progress indicator shows '70%' completion. The main question area is titled 'Fill in the blank with appropriate text' and contains the text 'The Father of the computers is' followed by a text input field. A blue button labeled 'Test time left: 01:59:22' is positioned to the right of the question. At the bottom of the question area, there are buttons for 'Finish', 'Clear Response', '< Prev', and 'Next >'. A small instruction at the very bottom reads 'Read the instructions provided for every question properly before attempting the answer.'

Fill the blanks with appropriate answers. The blanks may be case sensitive.

The screenshot displays a web-based exam interface. At the top, there is a navigation bar with 'Home', 'Learn Anywhere', and a 'Jump to' button. The user's email 'exam1@demo.com' and profile 'Member' are visible, along with a 'Logout' button. Below this, a progress bar shows 'Section : 1 of 3', 'Question : 1 of 6', and 'Marks for this Question : 5'. A zoom level of '90%' is also indicated. The main area is titled 'Type the answer' and includes a 'Test time left: 02:51:51' timer. A yellow highlighted box contains the text 'Answer for Q1'. Below this is a dark input area with a green 'Save' button. At the bottom, there are buttons for 'Finish', 'This is the beginning of the test!', 'Clear Response', 'Prev', and 'Next'. A copyright notice '© 2020 Copyright CodeTantra.com' is at the very bottom.
