

Re-Registration for the Academic Year 2020-21 (Odd Semester)

Dear Student,

Greetings from UPES !

We hope you and your family is staying safe and keeping positive. We know it is a challenging period and hope you must have received the mail sent by Hon'ble Vice Chancellor updating the steps taken by University to ensure continuous education. I am happy to share that students are about to be getting over with their online examinations and assessments.

We are starting the Academic Year 2020-21 for senior student's w.e.f. **10th August 2020**.

As per the University rules all eligible students are required to re-register at the beginning of each Semester.

*As **Re-Registration process is online for Non-Graduating Batches**, you have to re-register yourself by login on your students portal account and follow the instructions as mentioned in the attached document ("SOP – Re registration"). Please make sure that you re-register for the next semester **as per the schedule given in Annexure**.*

Looking forward to welcoming all students for the forth coming new semester and wishing that all have a very fruitful academic term.

Since all official communications will be done only through **STU mail ID & registered mobile number**, hence attention is required to access your portal & STU mail ID on regular basis for any notices/information. You are advised to communicate the same to your parents/guardians.

24/7 WeCare Helpline Number | 1800 - 270- 7121

Keep your spirits up, stay positive, and most importantly, stay safe!

Thanking you,

Best Wishes,

Controller of Examination
