Check your Internet Speed

Speed Test – Step 1

1. Visit
<https://www.google.com>

2. Type
Speed Test

3. Click
Google Search

Speed Test – Step 2

The screenshot shows a Google search result for 'Speed Test'. The search bar contains 'Speed Test' and the search button is visible. Below the search bar, there are navigation links for 'All', 'Books', 'Shopping', 'News', 'Images', 'More', 'Settings', and 'Tools'. The search results show 'About 1,96,00,00,000 results (0.39 seconds)'. The first result is 'Internet speed test' with a Wi-Fi icon. The description for this result reads: 'Check your Internet speed in under 30 seconds. The speed test usually transfers less than **40 MB of data**, but may transfer more data on fast connections. To run the test, you'll be connected to [Measurement Lab \(M-Lab\)](#) and your IP address will be shared with them and processed by them in accordance with their [privacy policy](#). M-Lab conducts the test and publicly publishes all test results to promote Internet research. Published information includes your IP address and test results, but doesn't include any other information about you as an Internet user.' Below the description is a blue button labeled 'RUN SPEED TEST'. At the bottom of the search results, there is a link to 'www.speedtest.net' and a title 'Speedtest by Ookla - The Global Broadband Speed Test' with a subtitle 'Test your Internet connection bandwidth to locations around the world with this interactive broadband **speed test** from Ookla.'

4 Click
RUN SPEED TEST

Speed Test – Step 3

The screenshot shows a Google search result for 'Speed Test'. The main content area displays the following information:

- Internet speed test
- 49.7 Mbps download
- 53.7 Mbps upload
- Latency: 13 ms
- Server: Chennai
- Your Internet connection is fast.
- Your Internet connection should be able to handle multiple devices streaming HD videos at the same time.
- Buttons: LEARN MORE, TEST AGAIN
- Feedback link

Orange arrows point from the text on the right to the 49.7 and 53.7 values in the screenshot.

6 Check Upload Speed

7 Check Download Speed

Very Important

Note: The internet speed is very vital for proctoring. A minimum download speed for proctoring is **5 Mbps** and minimum upload speed is **2 Mbps**

Check your microphone volume

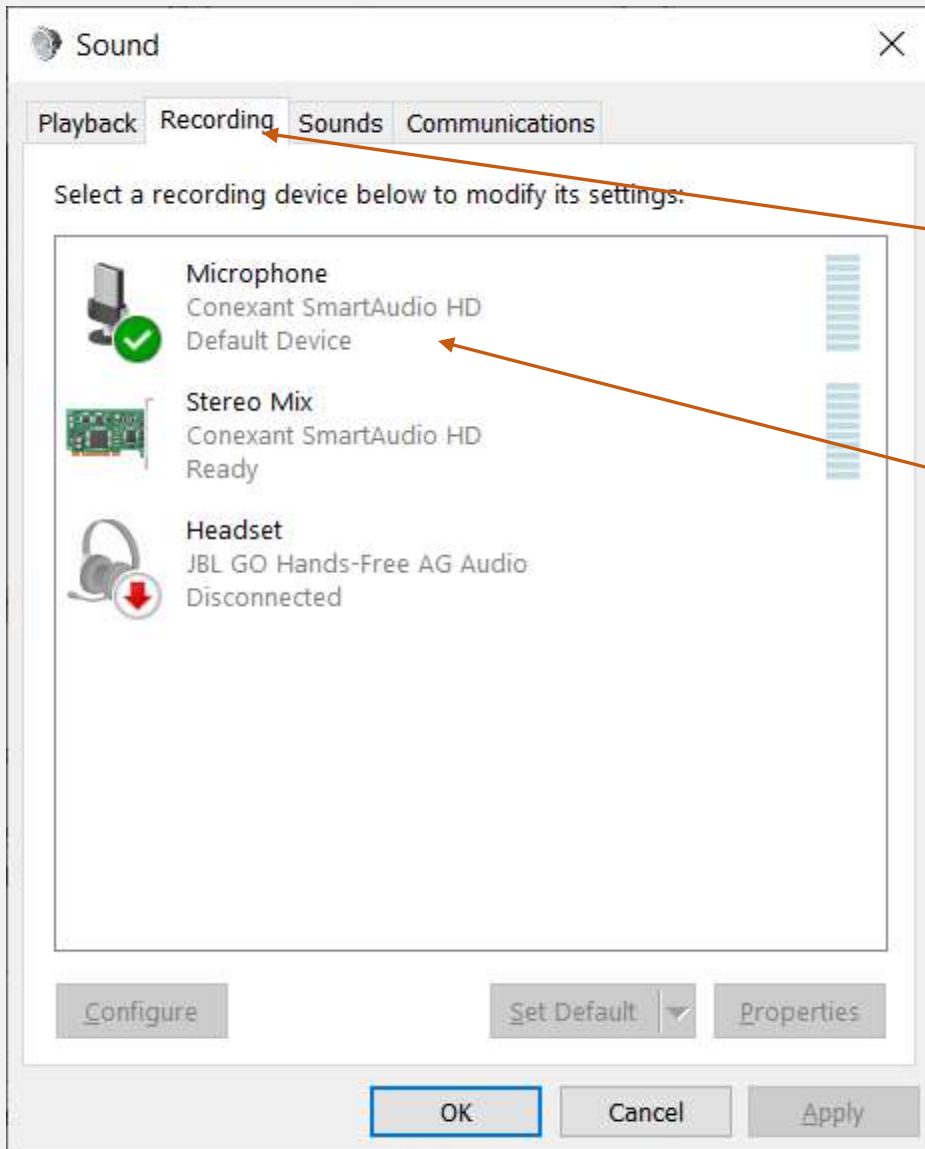

Check you microphone volume - 1

The screenshot shows the Windows search interface. At the top, there are navigation tabs: 'All', 'Apps', 'Documents', 'Web', and 'More'. Below these, the search results are categorized into 'Best match', 'Settings', 'Search the web', 'Apps (1)', and 'Folders (1+)'. The 'Best match' section highlights 'Sound settings' with a speaker icon and 'System settings'. The 'Settings' section lists several options: 'Change system sounds', 'Sound mixer options', 'Choose your input device', 'Choose your output device', 'Play sounds for My People notifications', 'Lower the volume of other apps when Narrator is speaking', and 'Adjust volume'. The 'Search the web' section shows 'sound - See web results'. The taskbar at the bottom contains icons for Start, Task View, File Explorer, Mail, Edge, Teams, and Word. The search bar at the bottom left contains the text 'sound|settings'.

2. Click
Change System Sounds

1. Type Sound on windows
search bar at the left bottom
corner

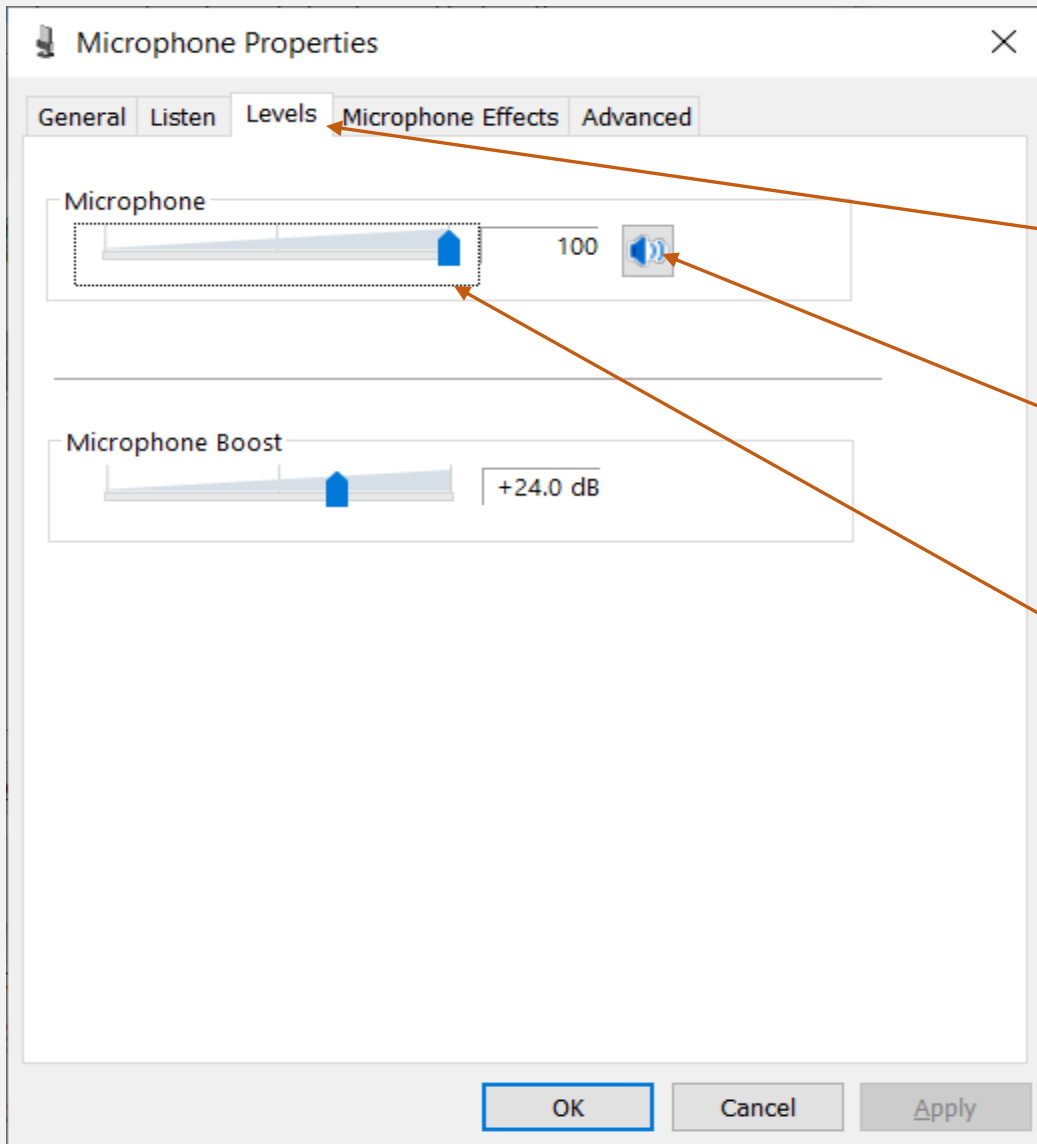

Check you microphone volume - 2

3. Click
Recording Tab

4. Double Click
Microphone Symbol
This opens a new dialog window

Check your microphone volume - 3

3. Click
Levels Tab

5. Ensure
The volume is not muted indicated by a red circle.
The current symbol shown is correct

4. Ensure
Microphone Volume Level is **HIGH**

Understanding Incorrect Setting

**This is Incorrect setting.
You need to click on this to change**

Check your Speaker Volume

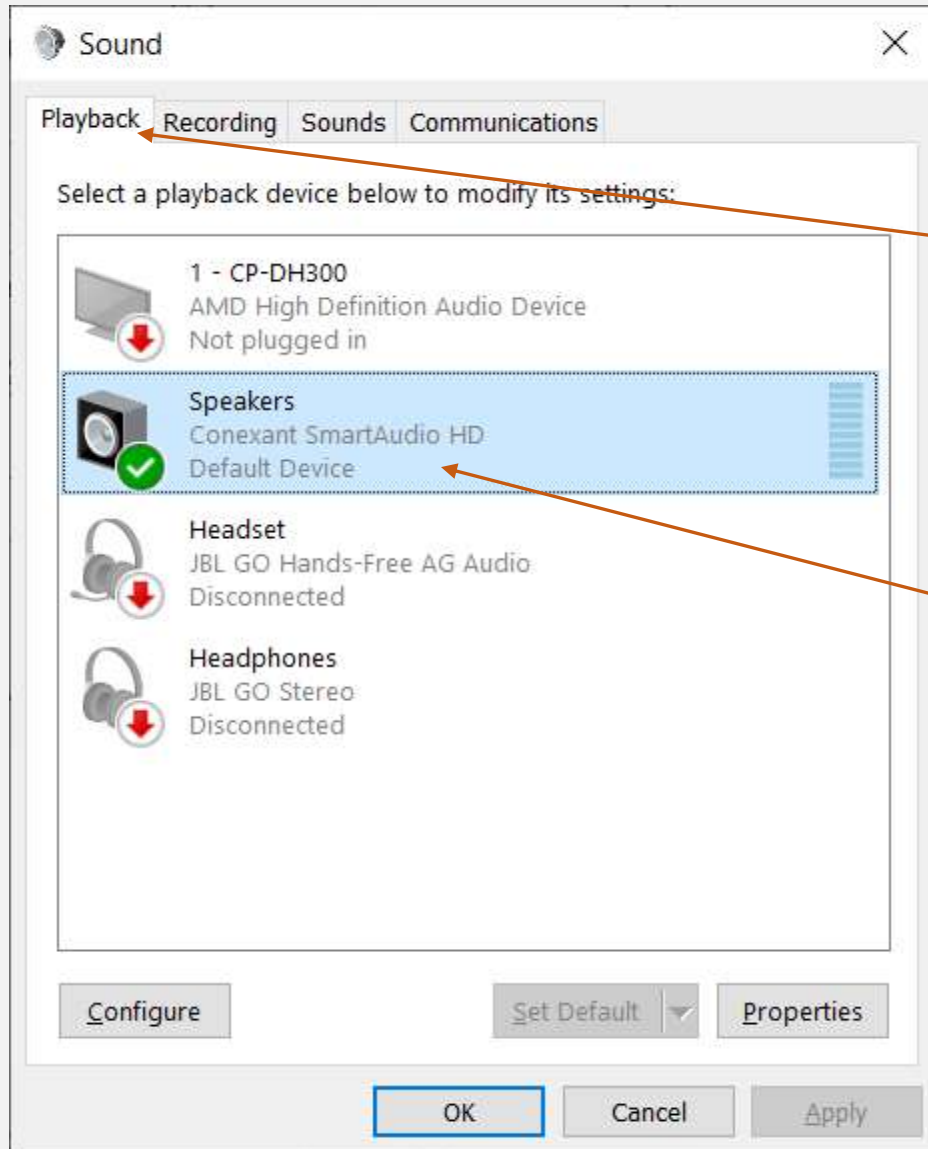

Check you speaker volume - 1

The screenshot shows the Windows search interface. At the top, there are navigation tabs: All, Apps, Documents, Web, and More. Below these, the search results are categorized into 'Best match', 'Settings', 'Search the web', 'Apps (1)', and 'Folders (1+)'. The 'Best match' section highlights 'Sound settings' with a speaker icon and 'System settings'. The 'Settings' section lists several options, with 'Change system sounds' being the first item. An orange arrow points from the 'Change system sounds' text to the 'Sound settings' result in the 'Best match' section. Another orange arrow points from the 'Change system sounds' text to the 'Open' button in the 'Sound settings' preview pane. The 'Search the web' section shows a result for 'sound - See web results'. The taskbar at the bottom shows the search bar with 'sound|settings' entered and several application icons.

2. Click
Change System Sounds

1. Type Sound on windows
search bar at the left bottom
corner

Check you speaker volume - 2

3. Click
Playback Tab

4. Double Click
Speakers (Default Device)
This opens a new dialog window

Check you speaker volume - 3

3. Click
Levels Tab

5. Ensure
The volume is not muted indicated by a red circle.
The current symbol shown is correct

4. Ensure
Speaker Volume Level is **HIGH**

Understanding Incorrect Setting

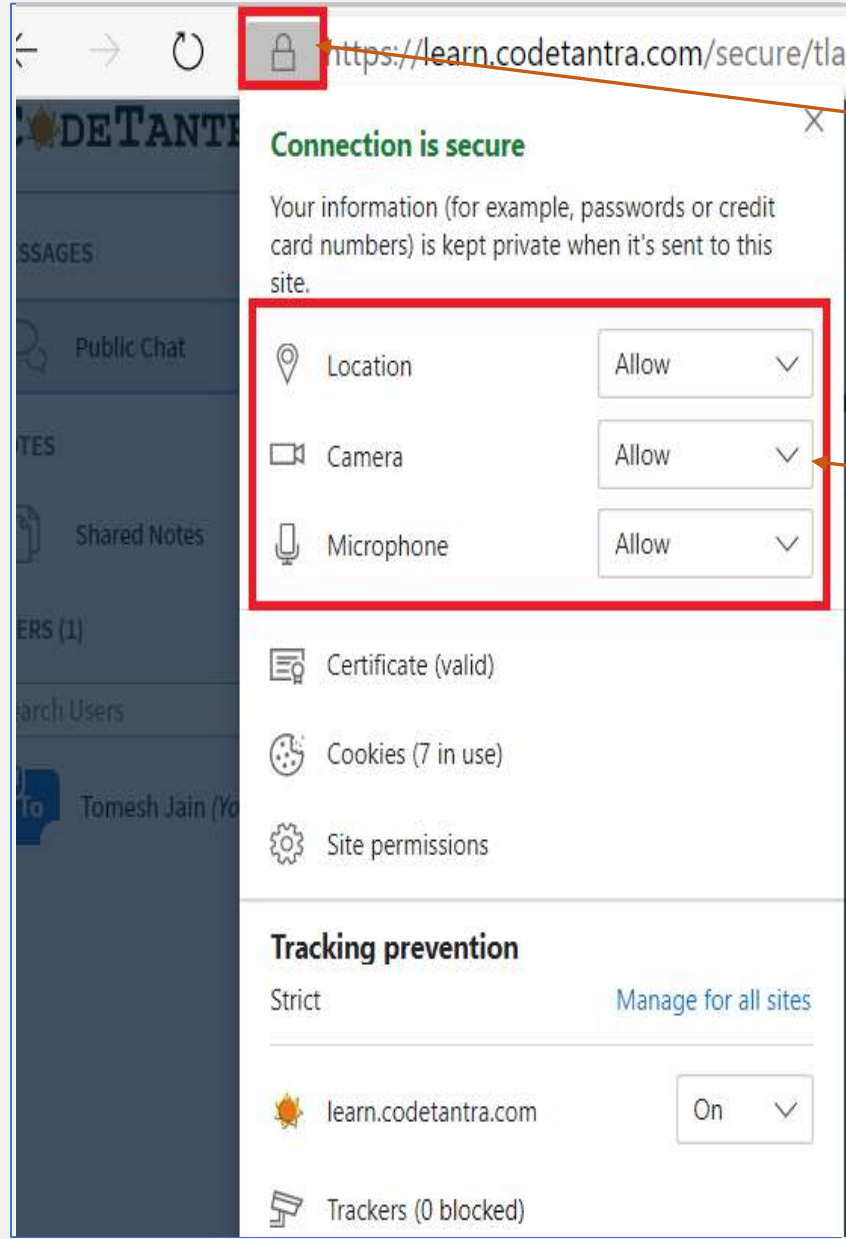

**This is Incorrect setting.
You need to click on this to change**

Taking Exam on Desktop PC / Laptop

1. Please ensure that you are taking the exam on **Chrome Browser**. Upgraded browser gives a smoother experience.
2. Don't click on any link to take a test. **Copy the link and paste it in the chrome browser**. Clicking on a link might not open the link in Chrome Browser. Copy and Pasting ensures that you are on the correct browser.
3. At the start of the exam, the browser may show pop ups for allowing permissions. Always click on **Allow**.
4. Make sure your integrated webcam or external webcam is functioning properly.
5. Do not navigate to any other window during the exam. Your exam may terminate if such an attempt is made.
6. Ensure that you have a secondary backup internet connection which will be useful when the primary internet gives away.
7. Ensure that the laptop battery is charged to maximum extent possible by the start time of the exam. If you are using a desktop PC ensure that you have an UPS connection to continue exam even during power cuts.
8. Disable all notification sending applications like Anti Virus etc.
9. Ensure the system time and time zone are correct, else you may not be able to write/see the exam.

Enabling Camera, Microphone and Location – Laptops/ Desktop PC

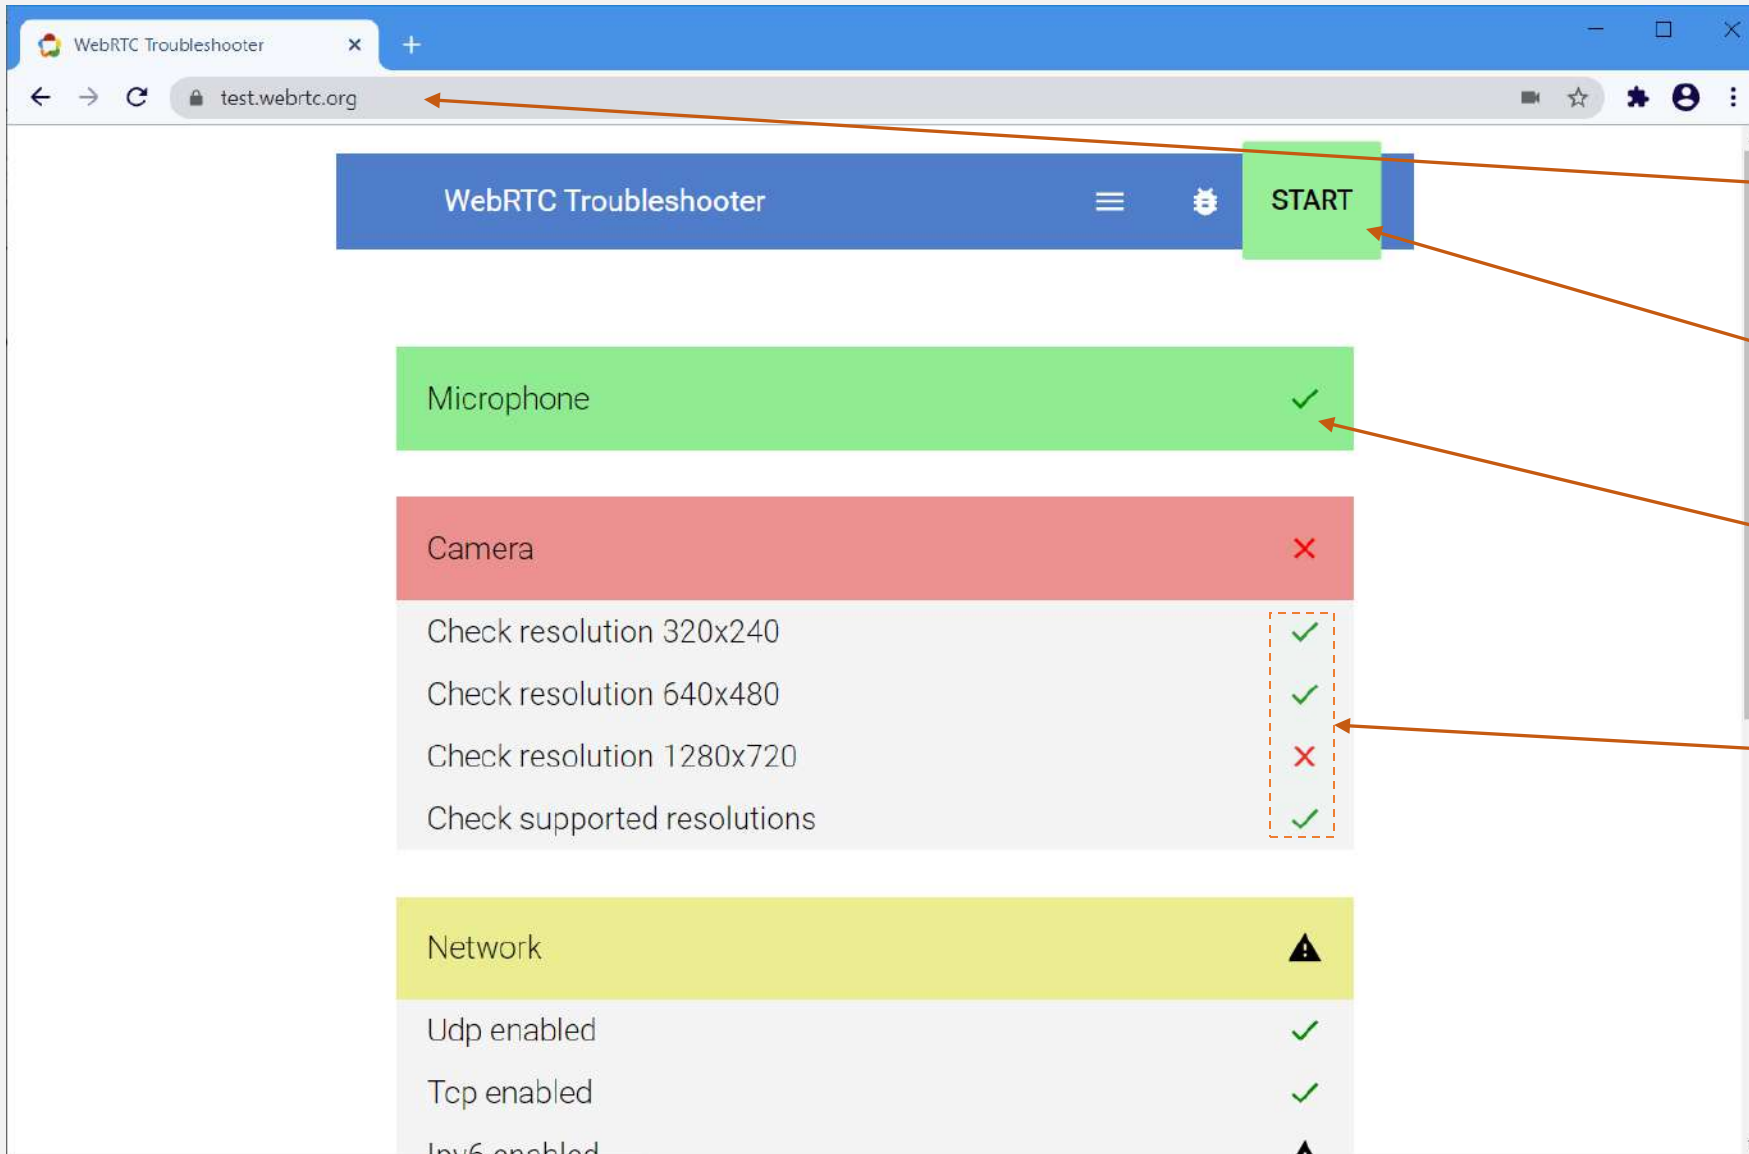

If the permissions were not granted, permissions can be given by clicking on the **Lock** Icon on the top left area of the browser.

Make sure that the Camera, Microphone and Location permissions when prompted are allowed.

Getting your device ready for the exam

Testing your browser

Visit <https://test.webrtc.org>

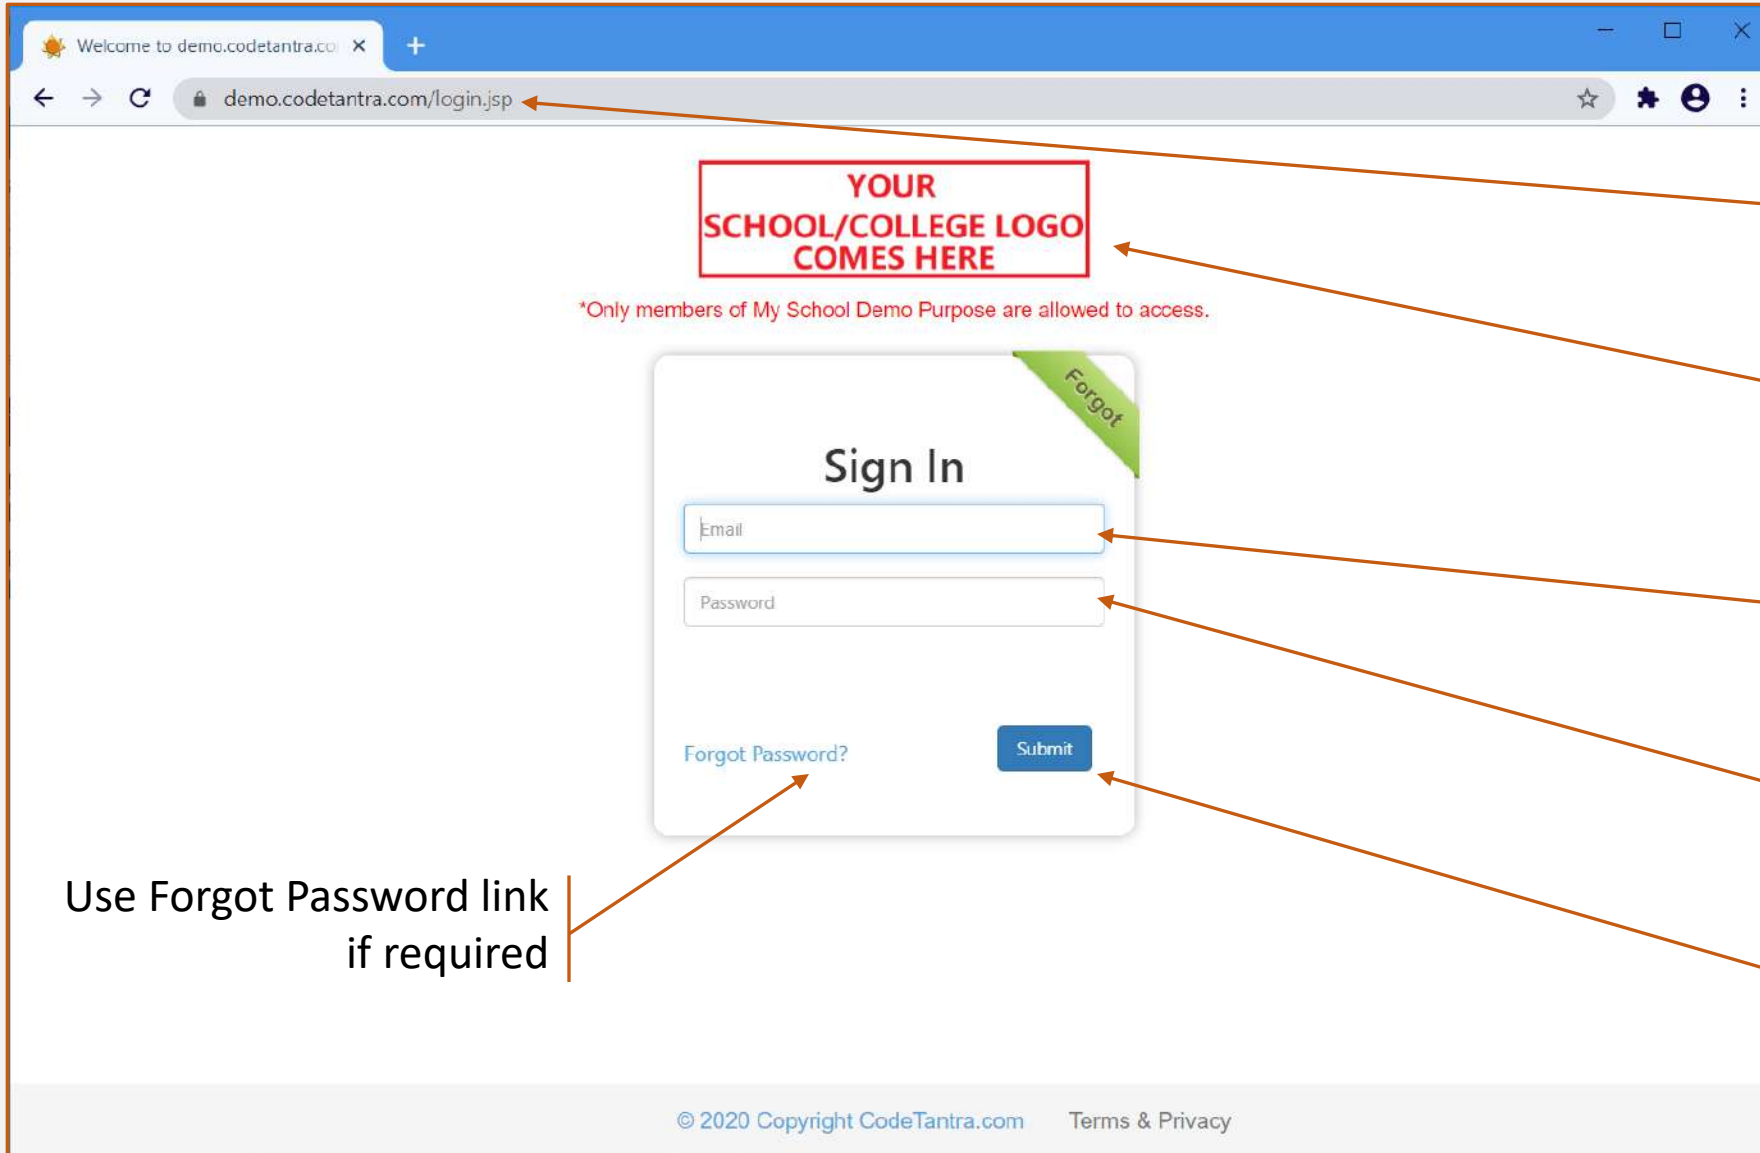

Click on the start button

Microphone test should pass.

At least one resolution of the camera should work.

Steps to take the proctored exam

Step-1 : Login

Make sure that you are on right URL

Your College logo comes here.

Enter CodeTantra registered email id.

Enter your password

Click on the Submit button

Use Forgot Password link if required

Step-2 : Navigate to Tests

The screenshot shows a web browser window with the URL `demo.codetantra.com/secure/home.jsp`. The page header includes the CodeTantra logo, navigation links for Home and Learn Anywhere, and a user profile section for `student1@demo.com` with a Logout button. The main content area features five large, square navigation cards arranged in a 2x3 grid (with the last cell empty). Each card contains an illustration, a text description, and a dark blue button at the bottom. The 'Tests' card is highlighted with a dashed orange border and an arrow pointing to it from the right. The other cards are: 'View Classes/Meetings' (with an illustration of a person in a video call), 'Courses' (with an illustration of a person at a laptop), 'Programming Labs' (with an illustration of a person at a laptop with code symbols), and 'Help & Support' (with an illustration of a person walking with navigation icons).

Test Details

Test Name	File uploading - all
Duration	60 minutes
Total Marks	40
Pass Marks	40
Start Time	19 Aug 2020 01:50:00 +05:30

General Instructions

Read the instructions provided for every question properly before attempting the answer.

Section - 1 : contain(s) **20** question(s) and each question carries **2** mark(s).

Click **Finish** only after completion of the Exam.

Your Current Location

Your Current IP: 49.206.34.190 * We record your IP and Location during the test

If the permissions were not granted, permissions can be given by clicking on the **Lock** Icon on the top left area of the browser.

Make sure that you allow all the permissions for Location, Camera and Microphone.

Step-5 : Get your environment validated

You should not exit full screen or move to a different window during the test. Your test will be auto submitted if done so.

Your camera would appear here! A red color microphone indicates you are mute. You can unmute and speak to the proctor

You need to wait for the proctor's approval to start the exam.

Step-6 : Start the Test

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894`. The page header includes navigation links for Home and Learn Anywhere, the user's email `tomesh.jain@gmail.com`, a Member status, and a Logout button. The main content area displays test details: Pass Marks (40) and Start Time (19 Aug 2020 01:50:00 +05:30). A yellow box contains General Instructions, including a green notification that says "You can start/continue your test". Below this is a map titled "Your Current Location" showing the user's IP (49.206.34.190) and location (Moosapet). At the bottom, a large green "Start Test" button with a play icon is visible. A chat icon is located in the top left corner of the page content.

As soon as the proctors approve your environment, you will this kind of notification

You can chat with the proctor by clicking on this icon

Click on this button to Start Test

Taking the test

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894#`. The page title is "Meeting" and the subtitle is "Test: Sample Test by Tomesh Jain". The main content area displays a video feed of Tomesh Jain. A chat window is open on the left side of the video feed, showing a message: "Yo pr wi be shi ...". The control bar at the bottom of the video feed contains several icons: a red microphone icon (muted), a blue video icon (video off), a blue camera icon (video on), and a blue chat icon (chat on). The name "Tomesh Jain" is visible below the video feed. The browser's address bar and navigation buttons are also visible at the top.

Click on the button to open the video and chat window

Click here to do chat with the proctor

Click on this button to unmute yourself and talk to your proctor

Taking the test

The screenshot shows a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894#`. The page title is "Meeting". The interface includes a navigation bar with "Home", "Learn Anywhere", and a "Jump to" button. The user is logged in as "tomesht.jain@gmail.com" with a "Member" role and a "Logout" button. The main content area is split into a "Public Chat" sidebar and a "Test: Sample Test by Tomesh Jain" video player. The chat sidebar shows a welcome message and a list of users. The video player shows a video of Tomesh Jain with a text overlay "You pr wii be sh ...". The bottom of the chat sidebar has a text input field "Send message to Public Chat" and a send button. Annotations include a green speech bubble icon, an arrow pointing to the chat sidebar, and text labels "Enter your message here" and "Click here to Send" pointing to the input field and send button respectively. A dashed box highlights the video player, and an arrow points from it to the text "Click here to hide and show the public chat".

Taking the test

The screenshot displays a web browser window with two tabs: 'CodeTantra Teach & Learn Anyw...' and 'CodeTantra Edu'. The address bar contains the URL 'staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1894#'. The page header shows 'Home Learn Anywhere' and a 'Jump to' button. The user is logged in as 'tomesj.jain@gmail.com' with a 'Member' status and a 'Logout' button. The main content area is a 'Meeting' window titled 'Test: Sample Test by Tomesh Jain'. On the left, there is a 'Public Chat' section with a 'Welcome to Test: Sample Test by Tomesh Jain!' message and a contact email 'support@codetantra.com'. Below the chat is a 'Send message to Public Chat' input field. The right side of the meeting window shows a video feed of Tomesh Jain. A dashed white box highlights a 'Share Screen' icon in the bottom toolbar of the video area. An orange arrow points from the text on the right to this icon.

If the proctor asks you to share your screen. Click on this icon to share your screen.

Taking the test

Select the Your Entire Screen option.

Click on the small screen that is visible in the white dialog box.

Click on the Share button to start sharing.

Understanding Test Layout

The screenshot displays a web browser window with the URL `staging.codetantra.com/secure/take-test1.jsp?tid=5eb92f07bc5e400344cbe147&bd=ANDcwX2N0X2No&tsi=1895`. The page header includes navigation links like 'Home' and 'Learn Anywhere', a 'Jump to' button, and user information for 'tomesj.jain@gmail.com'. The test progress bar shows 'Question : 2 of 20' and 'Marks for this Question : 2'. A 'Preprocessor' section contains a C code snippet:

```
#include <stdio.h>
#if X == 3
#define Y 3
#else
#define Y 5
#endif
int main() {
    printf("%d", Y);
    return 0;
}
```

Below the code, the question asks: 'What is the output of the above program?'. Four radio button options are provided:

- 3 or 5 depending on the value of X
- Compile time error
- 3
- 5

At the bottom, there are buttons for 'Finish', 'Mark for Review & Next', 'Clear Response', '< Prev', and 'Next >'. A 'Time left: 59:41' indicator is visible in the top right of the question area.

The question text is: 'What is the output of the above program?' and is accompanied by a code block containing C preprocessor code. Below the question, there are four multiple-choice options, each with an unchecked checkbox. At the bottom of the page, there are buttons for 'Finish', 'Mark for Review & Next', 'Clear Response', '< Prev', and 'Next >'. A 'Time left: 59:41' indicator is also present in the top right of the question area.

```
#include <stdio.h>
#if X == 3
#define Y 3
#else
#define Y 5
#endif
int main() {
    printf("%d", Y);
    return 0;
}
```

What is the output of the above program?

- 3 or 5 depending on the value of X
- Compile time error
- 3
- 5
